

CHS Band Boosters Update

November 10, 2005

Is Marching Band Season Already Over!?!?

John Giordano
VP, Band Boosters, CHS Music Boosters

Say it ain't so! But alas, it's true. Tomorrow night the MMC closes another chapter in their successful history book at the Centreville game.

What a great season it was! Thanks to all of you parents who helped out with chaperoning, organizing activities, getting food and water to the kids, moving equipment, managing fundraisers, etc., etc., etc. We couldn't do it without the tremendous support of the parents.

When I've been at band activities around the state and people notice my Chantilly Band clothing or name tag, folks come up and say something like, "Chantilly High School! Your band is terrific!" When I hear that I couldn't be more proud of the success of the kids, and of the teachers who inspire them to perfection. I'm sure you feel the same way too.

Now we move into the stage band, indoor drumline and guard seasons. We'll continue to need the support of all of the parents to help out all the way through to Graduation.

I hope everyone has a safe and happy Thanksgiving! 🎵
