

# CHS Band Boosters Update

November 8, 2006

## Transition to Stage Band

John Giordano  
VP, Band, CHS Music Boosters

As we wind down the Marching Band season we thank all the parents who helped make the season such a success. From coordinating trips to uniform fittings to providing food and water to the band, you all helped make this year memorable for the MMC members.

The Marching Band season has been extended. We host the first playoff game on November 17. (This also means that we'll need to staff the concession stand.) Future performances will depend on the how well the football team does, but the MMC will be expected to perform at all the games.

Next week the concert stage part of the curriculum begins with the Fall Concert on November 13. This is an event where you can trade in your TAG for admittance into the concert (or pay \$3 at the door). Tickets can be ordered in advance by placing your order form with payment or TAG in the Brown Box by Friday.

The major events for the remainder of the year are the Tiny Tots and Holiday Show in December; our hosting of the District Band in February; the Chantilly Jazz Festival; and the pyramid and final concerts. We'll need help in coordinating and supporting these activities, so please see where you can help.

We'll see you tomorrow at the Banquet.

**Thank you to all parents who have already submitted your child's Marching Band and/or UniQuip fees. If you'd like to discuss any questions or issues about these fees please contact John Giordano.**
