C) What do I need to do?

Seriously… you need to fill this form out and return it to the band room (brown box). Without the form, we really do not know who to contact to work events.
So… take a few minutes and get involved!

B) Why be a VOLUNTEER? Enter a "V" above.
Without volunteers, nothing would work! These are individuals who want to participate and help with an event, but do not want to coordinate. "Just tell me what you need done… and I'll do it!" It's fun, Directors love you, and kids appreciate it.

A) Why be a COORDINATOR? Enter a "C" above.
All of our events have a coordinator. These are individuals who've agreed to "oversee" an event. They make sure that everything is organized and that the volunteers are used, as needed, to accomplish tasks. And, Directors will really love your, as will the kids and volunteers....
